

“DO NOT BE AFRAID, LET’S GO...”

“Do not be afraid, for I am with you. Do not be alarmed, for I am your God. I give you strength, truly I help you, truly I hold you firm with my saving right hand. “Isaiah 41,10

Hallelujah is Christ risen; He is alive. Let’s keep our teams alive with the strengths of the risen Christ.

We are living in difficult times with this pandemic, but we must remember that God is with us. We cannot be afraid, and we can't make a stop on this path to holiness. Let’s continue to help our teams on this path!

Here in Winnipeg, we are continuing to have our monthly meetings online using” Cisco Webex” with a modified agenda. They are around 1h 30min of duration. We have taken out the sharing of the meal on the meeting. We keep the moment of prayer, and each team chooses to share the topic of discussion in the months, or their achievements and difficulties with the Endeavors. Some teams shared the topic of the month by making a video and sending it to the couples. Other teams have met on “Cisco Webex” to pray together, and to have a coffee as well. Last Saturday we met with all the teams in the sector to pray the Rosary together. It was amazing!

We are living in times where we must be creative to stay in communication. With God’s help we will soon be able to have our monthly meeting as always.

Let’s be creative!
